The *Statewide Independent Living Council (SILC)* is a citizen advisory board that develops, implements, and monitors the *State Plan for Independent Living (SPIL)*. Among other things, the SPIL specifies how federal funding for independent living services are distributed in our State and fosters a network of Independent Living Centers. The purpose of the independent living programs is to maximize the leadership, empowerment, independence and productivity of individuals with disabilities and to integrate them into the mainstream of American society. To fulfill these statutory duties, the SILC holds quarterly meeting in Frankfort, as well as in other parts of the state. Travel reimbursement to these official SILC meetings is provided.

Our Kentucky SILC consists of sixteen members; at least 51 percent of the members have a disability. The Governor of Kentucky appoints SILC members. They are chosen based on the unique skills and life experiences they can offer in services to the SILC's goals. Members can serve up to two, three-year terms.

Prospective members are asked to complete the attached SILC application packet and submit this packet to Scott Sisco, Dept. for Aging and Independent Living, 275 E. Main St., 3E-E, Frankfort, KY 40621.

Thank you for your interest in the Kentucky SILC.

Sincerely,

Jan Day  
Chair, The Kentucky Statewide Independent Living Council
